

November 23, 1922.
Circular Letter No. 66.

To Supervisors of Schools.

Ladies and Gentlemen:

ADDITION TO CIRCULAR LETTER #64.

After several complaints that have reached this office, in addition to C. L. 64 of November 20, 1922, for every obvious reason I wish to strongly recommend that no supervisor, assistant supervisor, or special teacher of agriculture, will act as representative to book sellers who may be interested in selling books or other school material to the teachers or pupils of our schools.

Very truly yours,

(Signed) Juan B. Huyke,
Commissioner of Education,
